

You can be 'A Pick and Mix Champion' on Saturday 11 September

Just help raise funds through Ride and Stride

for Devon Historic Churches Trust
which gives grants to heritage churches when they need major repairs.

Choose from:

- a) walking the whole West Dartmoor Churches' Circuit, a 12.5-mile tour starting at Horrabridge 9.30am
- b) picking which church you would like to start from and walking as many sections of the walk as you like.
- c) mixing it up by riding or cycling to all the churches.
- d) making a donation through the link below, through one of the churches involved or telephone 852240

All we ask is that you contribute £5 or more per adult to DHCT through a donation or sponsorship, in cash or through the online 'Give A Little' link
